

Activate your card online

Enjoy the ease and convenience of managing your online account anywhere, anytime. For business customers, the images below may vary depending on your role within the company.

How do I activate my card?

Activate your card through the QR code provided on the letter with your new card or visit <https://laurentianbank.ca/creditcard-activation>. Simply use the camera on your mobile device to scan the QR code and follow the instructions provided.

Step 01 Enter your new 16-digit card number.

Step 02 Verify your information.

If you've given us an email:

- You'll be prompted to confirm if the email displayed is accurate. If it's correct, select "Confirm".
- We'll then send you an email with a 4-digit code to confirm that it's you. To do so, enter the 4-digit code on the screen.
- If you'd like to use a different email, select "Update email" and follow the steps.

If we don't already have your email on file:

- You'll be prompted for your date of birth and new credit card's expiry date (mm/yy).
- We'll also need your email address and mobile phone number.

Step 03 Create a password.

The password you create will be used to access your credit card account online. If you use LBCDirect, it won't impact your existing username or password.

Create your password

Let's set up your password. The password will be used when you log in to your account at laurentianbank.ca/visa.

Enter password

Confirm password

Your password must contain:

- Minimum of 8 characters
- At least 1 uppercase letter
- At least 1 number
- At least 1 lowercase letter
- At least 1 special character

Step 04 Create a new credit card PIN.

Avoid using obvious combinations such as "0000" or consecutive numbers such as "1234", as the system will not accept them.

Create your credit card PIN

Once you've set up the 4-digit PIN on your card, you can use it to make purchases and withdraw cash at any ATM worldwide.

Enter your 4-digit PIN

Confirm PIN

- Must be 4 digits
- Avoid using obvious numbers
