MONTREAL, April 30, 2021 (GLOBE NEWSWIRE) -- Laurentian Bank of Canada (TSX:[LB](#)) ("**Laurentian Bank**") today announces its intention to offer (the "**Offering**") Limited Recourse Capital Notes, Series 1 (Non-Viability Contingent Capital (NVCC)) (Subordinated Indebtedness) (the "**Notes**"). The Notes will be offered for sale through a syndicate of agents (the "**Agents**") co-led by Laurentian Bank Securities and CIBC Capital Markets acting as joint bookrunners on the Offering.

If issued, the Notes will bear interest at a fixed rate to be determined by Laurentian Bank and the Agents in the context of the market, payable semi-annually, for the initial period from the date of issue to, but excluding, June 15, 2026. Thereafter, the interest rate on the Notes will reset every five years. The offering will be priced in the context of the market with the price and other final terms to be determined at the time of entering into a formal agency agreement with the Agents for the Offering. In case of non-payment of principal of, or interest on, the Notes when due, the recourse of each noteholder will be limited to that holder's proportionate share of the Limited Recourse Trust's assets which, except in limited circumstances, will consist of Preferred Shares Series 17.

Laurentian Bank may redeem the Notes during the period from May 15 to and including June 15, commencing in 2026 and every five years thereafter, only upon the redemption by Laurentian Bank of the Preferred Shares Series 17 held in the Limited Recourse Trust, in accordance with the terms of such shares and with the prior written approval of the Superintendent of Financial Institutions (Canada), in whole but not in part on giving not more than 60 nor less than 10 days' notice.

If the Offering closes, the net proceeds from the Offering will be used to redeem Laurentian Bank's outstanding Non-Cumulative Class A Preferred Shares, Series 15 (Non-Viability Contingent Capital (NVCC)) which redemption is expected to occur on June 15, 2021, subject to a formal notice being delivered.

The closing of the Offering will be subject to certain conditions, including, but not limited to, the execution of a formal agency agreement and the filing of a prospectus supplement for the Offering.

The Notes have not been, and will not be, registered in the United States under the United States Securities Act of 1933, as amended (the "**Securities Act**"), or the securities laws of any state of the United States or any other jurisdiction and the Notes may not be offered, sold or delivered, directly or indirectly in the United States or to, or for the account or benefit of, a "U.S. person" (as defined in Regulation S under the Securities Act) absent registration under the Securities Act or an applicable exemption from such registration requirements.
